

S-OIL SEVEN BLUE #7 CH-4/SJ

MULTI GRADE **SYNTHETIC** OIL FOR DIESEL ENGINE

Product Description

S-OIL SEVEN BLUE #7 CH-4/SJ made by synthetic technology is multi grade engine oil for diesel engine. It's suitable for all turbocharged or normally aspirated diesel engines of civil works machines, trucks, fishing boats and locomotives. And it can be used for vehicles requiring performance specification API CH-4/SJ.

Applications

- Suitable to all turbocharged or normally aspirated diesel engines of civil works machines, trucks, fishing boats and locomotives
- Suitable for diesel stationary engines for energy production

Features and Potential Benefits

- Very high viscosity index and good viscosity stability in operation
- Excellent resistance of the oil film at high temperatures and resistance to oxidation
- Very high level of detergency and dispersion properties
- Very good anti-wear, anti-corrosion, anti-rust and anti-foaming properties

Performance Level

- API : CH-4/SJ
