

S-OIL SEVEN POWER STEERING FLUID

PREMIUM BASED POWER STEERING FLUID

Product Description

S-OIL SEVEN POWER STEERING FLUID is made by good quality premium base oil, used for power steering and shock absorber. It ensures extended oil life through exceptional oxidation stability and provides extreme fluidity at low temperatures, so it has smooth steering performance.

Applications

- Hydraulic systems such as vehicle's power steering and shock absorber
- ISO VG 32

Features and Potential Benefits

- Excellent stability at high temperature
- Protects mechanical parts due to its good shear stability
- Anti-oxidant minimizes the formation of sludge or deposit and assures long oil and engine life
- Excellent anti-foam tendency prevents cavitation and makes operation stable
- Forms strong adsorption film on the metal surface to prevent corrosion by water and foreign matter
- Improves drivability and smooth steering performance

Typical Properties

Test Items		Method	Unit	Properties
Viscosity	40°C	ASTM D445	cSt	30.18
	100°C	ASTM D445	cSt	5.315
Viscosity Index		ASTM D2270	-	104
Flash Point		ASTM D92	°C	218
Pour Point		ASTM D97	°C	-42
